

## 2018 PVF Truck and Tractor Pull Rules

Whiles Interstate and Fair Tractor rules are posted, the truck class rules for 6200 National and 6200 County Only rules follow:

Safety First. National Truck Pull Rules will be the guideline. Helmets and valid drivers license are musts. While inspection stickers and tags will not be required, all trucks as well as tractors, will have to pass a Tech Rep Inspection for safety. Any entry unsafe in any manner will not pull. That includes cut tires and wrong fuel. You know before showing up if your entry can pass a road monthly inspection. The classes have added purse money this year. Call with questions you don't already know the answer to.

Pullers, spectators, and insurances are all at risk if there are issues anywhere at this fun event.

Thank you,

Louise Mauck (540) 244-6877
